

## Worry Not, My Love

I see the doubt, the silent fear,  
The weight of want, the cost so near.  
Yet in your eyes, I find my worth-  
Not gold, but love, the richest earth.

You stand beside me, strong, so kind,  
A love like yours is rare to find.  
Though coins are few, my heart is true,  
And every dawn, I wake for you.
